

## Puma Mint Grit Handcleaner

Puma Mint Grit Handcleaner is a safe non-toxic cleaner formulated to remove grease, oils and soils encountered in the workplace. It contains a combination of Cenolite silica and lightweight alumina aggregate to provide a gentle abrasive action, removing ingrained dirt from the skin. Moisturisers and vitamin E rejuvenates the skin after cleaning.

- ✓ Gentle Action
- ✓ Shifts Stains Easily

### Features

- > Fresh peppermint scented
- > Moisturising - contains both macadamia nut oil and vitamin E
- > Fully biodegradable
- > pH balanced
- > Shifts stains easily
- > No petroleum hydrocarbons or solvents
- > Phosphate free
- > 100% soap free
- > Safe to use - Non-toxic and non-corrosive
- > Leaves skin soft and smooth
- > Market leading technology
- > Contains 'Cenolite' abrasive beads for more efficient cleaning

### Recommendation

Domestic or commercial use for work in:

- > Workshops
- > Farms
- > Gardens

### Directions for Use

Place a small quantity into the palm of your hand. Avoid wetting hands prior to use as this will reduce efficiency.

Massage well into heavily soiled areas. Rinse with clean water. Dry hands and repeat if necessary on stubborn stains.

If water is not available, wipe from skin with a cloth or paper towel.

### Health & Safety Environment

- > This product is unlikely to present any significant health and safety hazard when properly used in the recommended application and good standards of personal hygiene are maintained.
- > Avoid contact with eyes and skin, use proper impervious gloves with used oil. After skin contact, wash immediately with soap and water. Guidance on health and safety is available on the appropriate Safety Data Sheet (SDS) which can be obtained from [sds.pumaenergy.com.au](https://sds.pumaenergy.com.au)

### Protect the Environment

- > Take used oil to an authorised collection point. Do not discharge used or new oil into drains, soil or water.

### Additional Information

- > Technical advice may be obtained from your Puma Energy Representative.
